

CLAIMS

I claim as follows:

1 1. A device for bathing comprising:

2 a water tight vessel sufficiently large to hold at least one bather;

3 said tub having a bottom;

4 at least one armrest connected to the vessel positioned at a height to support

5 one or both arms of said at least one bather;

6 at least one orifice defined by said armrest sized and shaped to permit a flow

7 of pressurized fluid there through

1 2. The device of claim 1, said tub selected from the following:

2 a hot tub, a spa, a bath, a whirlpool bath, and a pool.

1 3. The device of claim 1 wherein said fluid is air.

1 4. The device of claim 1 wherein said fluid is water.

1 5. The device of claim 1 further comprising at least one water jet disposed in said at

2 least one orifice.

1 6. The device of claim 1, further comprising at least one air bubbler disposed in said
2 at least one orifice.
